Bobby Alan Wakolee, 34, Teresa Lee Wakolee, 39, and Summer Dawn Etchieson, 7 months, passed away Wednesday, July 22, 2009, in Tecumseh.

He was a member of the Indian Baptist Church of Earlsboro, as well as a member of the Sac and Fox Tribe. He enjoyed fishing and University of Oklahoma football, playing paintball, watching NASCAR, especially Dale Earnhardt, and spending time with his granddaughter, Summer Dawn.

Bobby was a loving son, brother, father and grandfather.

Her family was her life. She loved every one of them a great deal. She enjoyed watching Christian's ballgames, spending time with Heather and playing with Summer. She was the glue that held the family together. Heather says, "Our

mom had the biggest heart in this world. She would take her own shirt off her back to give to someone who needed it more. Our mom was so loving to everyone around. She was always there for anyone who needed her. Our mom was our #1 fan, but also our best friend. She was our hero."

She was preceded in death by her father, J.W. Crisp, and her stepfather, Eddie Duncan.

Texas, Missouri, Kansas, Arkansas, and Alabama. The mutton busting event (sheep riding) was very popular this year with many of our tribal youth entering and testing their skills of riding the wooly animals. Some walked away with money in their pockets for their efforts! The Nation received so many positive compliments on the new arena! With more improvements, our rodeo grounds will be one of the top rodeo facilities in the state!

The Health Fair keeps growing each year and was well attended once again on Thursday. Thank you, Black Hawk Health Center personnel, for once again hosting and conducting such an integral event of our celebration. The information shared at the event is so vital to the health and well being of our Native people.

The Youth Fun Day brought enjoyment to young people and grown-ups as well. The volunteers should be blessed in knowing that they helped these young people.

The Veterans' Meal was well attended. Thank you to the people responsible for preparing the meal, and thank you especially to the Veterans for the sacrifices that you have endured so that we have the freedom to host and attend the "Sac and Fox Nation Celebration." My personal thank you to the Maintenance Department for the months of work in preparing the Capitol grounds for the celebration. Thank you to our Police Department and Security for the hours worked during the celebration; Finance Department for the ability to make the pay-offs to winners of the various contests easier and faster this year; the Pow-wow Committee and Rodeo Committee for the tireless time and efforts needed to host these events for the pleasure of our tribal members and the public. If I have overlooked anyone with my thanks, I apologize. God bless everyone that helped make this

year's celebration a success! The Pow-wow and Rodeo Committees met jointly on July 28th to discuss improvements to their respective grounds and facilities for next year and possible funding of the events.

VISITORS. The Puyallup Tribe from Tacoma, Washington were our guests on July 21st when our Indian Child Welfare Department (ICW) Director, Karen Hamilton, was honored at a luncheon at the Learning Center. The Puyallup tribal delegation came to Oklahoma to express their gratitude and sincere appreciation for the efforts of Ms. Hamilton and staff in the continuous joint efforts to serve the children of the Puyallup Nation. Some of their Nation's children were reunited with family through a court order that involved our ICW department in Oklahoma. Congratulations, Karen and staff, and keep up the good work as you continue to serve the Sac and Fox Nation's children and other Native youth. God bless you!

Tribal member Marjorie Roane was instrumental in hosting a reception for former Assistant Secretary of Indian Affairs Ada Deer at the Learning Center July 22nd. Ms. Deer was the first Native American woman to be appointed to this high position within the Department of Interior Bureau of Indian Affairs and was very much involved in having federal recognition restored to her tribe, the Menominees in Wisconsin. Ms. Deer lobbied Congress and is listed as one of the "Warriors" among Indian activists. I thank the tribal membership in attendance with attorneys and delegates from other Native nations in Oklahoma, as everyone present was fortunate to have the opportunity to listen to such a distinguished person relate her past endeavors. Marjorie, a job well done in scheduling such a speaker.

ELECTIONS/VOTING. The Primary Election was conducted July 25th and you will read the

results elsewhere within this issue of Sac and Fox News. I want to emphasize the importance of voting in the General Election and having your vote count. Yes, your vote does count! It is also your responsibility as a citizen of the Sac and Fox Nation to vote and elect your representation on the Business Committee! Please remember the date of August 29, 2009.

GOVERNING COUNCILS. The annual Governing Council will be held August 29, 2009 and I want to declare a quorum at 10:00 a.m.! I will be calling a Special Governing Council to address the Revenue Allocation Plan (RAP) possibly in September to address the resolutions to approve the per-capita and 2010 RAP Budget. One more Special Governing Council will be held soon thereafter to address the Grievance Ordinance, Election Ordinance, and Parliamentary Procedures for Governing Council meetings.

STRATEGIC PLAN. In July, the Business Committee initiated the start of developing a strategic plan to address the direction that our Nation should be moving toward. Several individuals have been contacted to serve on a Visioning Leadership Team. During the annual pow wow several tribal members filled out questionnaires, which will lead to the development of our goals to have a plan in the very near future for your approval. When you receive material in the mail, please take the time to fill out and answer the forms, return to the proper address, and become a vital part of planning your families' future! The contact person on the Business Committee is Second Chief Cheryl McClellan, if you have any questions or suggestions.

"STIMULUS FUNDS". The Sac and Fox Nation has applied for the American Recovery and Reinvestment Act of 2009 (ARRA) or stimulus funds. Listed are the funding amounts for specific projects for five (5)

programs that applied for ARRA funds: Indian Health Service (IHS) – Black Hawk Health Center -\$50,665 – medical suite equipment. Department of Health and Human Services (DHHS) – Administration on Aging - \$16,610 – all funds are budgeted for food for the Elder's Program. Department of the Interior (DOI) – (a) Indian Reservation Roads Program - \$1,550,393 – Federal Economic Recovery funds – (b) \$9,538 – Population Adjustment funds. The DOI funds will be used for direct service funds administered by the BIA Regional office, Bureau of Indian Affairs. United States Department of Agriculture (USDA) – \$20,000 - funds to be used for freezers for Stroud store.

We are waiting on information for funding for the Juvenile Detention Center to hire a person to buy supplies and equipment needed at the facility. All of these funds are highly restricted and cannot be used for anything but what they are intended for. Without the Juvenile Detention Center funding, the total amount of ARRA funds for the Sac and Fox Nation = \$1,647,206.00

I will finish the third part of the Annual Funding Agreement (AFA) procedure in next month's tribal newspaper due to the length of this month's report. The Sac and Fox Nation will be entering our annual AFA Funding Negotiations on August 12, 2009 at the Capitol grounds.

Please continue to pray for our Nation daily because those prayers are being answered now. Prayer is more powerful than any individual group of the Nation can be, so, as we continue to unite as One Nation under God, the blessings will continue! May God bless you and your families! Aho!

Sincerely,

George Thurman
Principal Chief

## STUFF YOU SHOULD KNOW

### CONTRACT HEALTH SERVICES

How Does CHS WORK

Requests for CHS are reviewed weekly and ranked according to relative medical priority. Requests are approved for CHS payment to the extent of available resources for the review period. Referrals may be approved for payment, or deferred due to limitation of resources. The CHS office shall make appointments for approved referrals.

Referrals are written by HIS providers for services determined medically necessary. However, a referral does not constitute authorization for payment. Patients must meet eligibility, notification, and pre-authorization, and alternate resource requirements of the HIS-CHS program.

### Eligibility

To be eligible for CHS funding, you must meet all of the 6 requirements listed below.

You must be a member of, or descendent of a federally recognized Indian tribe and provide appropriate documentation such as a Certificate of Indian Blood (CDIB) or birth certificate reflecting descendency from an otherwise enrolled tribal member. A non-Indian pregnant woman with an eligible Indian's child is eligible for direct and CHS care during pregnancy and for 6 weeks through post partum for OB related care.

You must reside on a permanent basis within the Oklahoma Area CHS Service Delivery Area that includes the state of Oklahoma and the following counties in Kansas: Brown, Jackson, Doniphan; and Richardson County in Nebraska. Exceptions include all Kansas Kickapoo and Prairie Band Pottawatomie residing within the Kansa

The following individuals are also eligible:

- A) Full-time boarding school, college, vocational, or other academic students who are living away from the Service Delivery Area Specifically for the purpose of education.
- B) A person who is temporarily away from the Service Delivery Area due to travel, employment, etc.
- C) Non-Indian adopted, stepchildren, and foster children of an otherwise eligible Indian parent. Indian children placed in foster care away from the Service Delivery Area by order of a court of competent jurisdiction and who were eligible for CHS at the time of the court order shall continue to be eligible

Referrals

Payment for medical care outside an HIS facility can only be authorized by a CHS official if funds are available. All referrals are date specific and any further treatment shall require prior authorization for payment by CHS. Failure to cancel appointments and to access care authorized/appointed by the CHS Program shall be determined failure to exhaust an otherwise available alternate resource. This may result in denial of CHS payment for any not appointed by CHS. The treating CHS referral provider may notify the referring HIS provider by telephone of any urgent care requirements and Fax/Email/Mail consultation/finding results to the referring provider. Patients are to contact their referring HIS provider regarding any need for follow up care.

Appointments

It is important that all referral appointments are kept. Patients are asked to cancel any appointments at least 3 days prior to the scheduled appointment date by a telephone call to the provider. Any changes to the appointment must be made by the CHS staff in order to ensure CHS authorization for payment. The patient may, however, elect to reschedule such services with no involvement of CHS and assume financial responsibility for payment of those services. Patients are also required to notify CHS of the need to cancel appointment dates/times in which the appointment may be rescheduled. Patients are to take alternate resources identification with them to their appointment to ensure providers have accurate and appropriate billing information.

Alternate Resources

CHS is the payor of last resort. You must apply for funding with all available resources to you, such as private health insurance, Medicare, Medicaid, Workers Compensation, Vocational Rehabilitation, Auto insurance, and other personal injury or liability insurance.

Emergency Services

You must contact CHS within 72 hours of receiving emergency care at a non-Indian Health Service facility. For an elderly or disabled person receiving emergency care, this may be extended to 30 days. If a patient is unable to contact CHS, a person acting on their behalf must contact CHS within the same time limits. All Non-emergency care must be pre-authorized by CHS before receiving medical treatment.

Claims Coordination

Patients are to provide the CHS Office copies of the following documents for claims processing:

Itemized Bills

Alternate resource payment information

Explanation of Benefits Report

Remittance Statements/Reports

Other documentation of payments

**Purpose of Form**

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Dear Sac and Fox Voter:

As you know, the Sac and Fox General Election for Secretary is set for August 29, 2009. For this very important position that actually is the “backbone” support of any organization, I hereby endorse and request your vote for Ms Gwen Wilburn for Sac and Fox Secretary in the upcoming General election set for Saturday, august 29, 2009 for the following important reasons:

- Attendance:** Gwen has a good record of being on the job as tribal Secretary. She has answered all phone calls within a reasonable time. This is important because tribal members have some real concerns. Her attendance at Business Committee and governing Council meetings is excellent. She is a dependable person.
- Courtesy:** Gwen has an excellent attitude of cooperation, friendliness, and genuine concern of the Nation’s business and its members. Her Open Door Policy would continue. Like the phone calls, responding to tribal members concerns is very important to Gwen.
- Experience:** Gwen was raised in the world of Indian politics from both her Sac and fox heritage and Seminole heritage. She has heard our concerns and hopes from early childhood. She is highly educated and motivated and was able to “get right to work” as Secretary. She is hardworking and has honesty and integrity.
- Health:** Gwen is in good health and is a non-drinker and non-smoker. She is a hard working person and yet, paces herself to take care of her good health.
- Issues:** Gwen supports the following issues:
  - Investigate** what happened to the 1.5 million dollars of Sac and Fox monies lost on the U.S. Stock Market and bring the Findings to the Sac and Fox Council for their decision as to what to do next – who were involved? Can we recover our money?
  - Repeal:** (do away with) the disastrous 8/04 Constitutional Amendment that was misrepresented to the people. Its passage essentially took away the power of the Sac and Fox Governing Council at their meetings.
  - Support:** the passage of a quarterly Per Capita Payment, rather than the yearly per capita payment we currently get every December 17.

These are just a few of the main issues- there are many more and it is hoped that your choice for tribal Secretary on August 29, 2009 will be Gwen Wilburn. Thank you!

**Mary F. McCormick**  
A Candidate for Treasurer  
Sac and Fox Nation

I do hereby express my deep gratitude for your vote and support in last Saturday's Primary Election, July 25, 2009.

You had the power in your hand, and you expressed your thoughts very well. So, let us do that one more time and win the General Election, Saturday, August 29.

1. I am honored and pleased to announce that Candidate Darrell Gray has endorsed my campaign. We welcome he and his supporters.
2. One of the Nation's problems it appears, is the inability of the Nation to stay within the adopted budgets. Thus,
3. The Sac and Fox Nation are unable to have a cash-flow. We seem to continually be moving funds from one program to another. When I run out of funds, spending has to stop. How about you?
4. In addition, in any of our programs, the actual benefits for the tribal member has been diminishing while the "overhead" expense has been getting larger. Is this right?
5. What is the purpose of the Indirect Cost funds? I thought I knew but it appears we run short even on these funds.
6. The Nation needs to concentrate on doing one or two projects at a time until it is completed. We get "splintered off" in too many directions. For example, the Tanger Mall project is almost still in the same status it was when we approved it in December, 2006. Tribal members, that is where the Big Bucks are!

We have an exciting future ahead of us! We've missed several funding opportunities to see it come to pass. Elect a leader who can help bring it to pass, with a strong current tribal financial background. Will you help?

Jacklyn ‘Petey’ Williams  
2009 Candidate for Sac and Fox Nation Secretary

Exercise your right to vote in the 2009 General Election on August 29<sup>th</sup>. Know the facts, asks questions, share information with family and friends and vote for the best candidate for the job. Jacklyn ‘Petey’ Williams is that candidate.

THE FACTS:

- Employed with the Sac and Fox Nation since 1995.
- That’s 14.5 years of dedicated and loyal service! Doing a job she loves because she knows she is doing what she can for the betterment of our Nation for all of us. Her heart is truly in it folks and without that we end up with leaders that don’t know how to put the Nation and every member above themselves.
- The past 12 years of her service have been in the Office of Government as an Assistant to 18 different Business Committee members.
- In 2006 she was promoted to her present position; Office of Government Administrative Supervisor and currently manages the Office of Government staff while continuing to assist the Business Committee and everyone else that calls on her for her assistance or vast knowledge of the operations, programs, government, laws, history and Self-Governance of the Nation.
- Former member of the Election Board during development of the Election Ordinance of 1997.
- Recording secretary, record keeper & administrative support for the former Gaming Committee consisting of 8 tribal members during development of the 2003 Business Enterprise Act & 2003 Ordinance Creating a Gaming Commission.
- Currently serves as recording secretary, record keeper & provides administrative support for Sac and Fox Tribe, Inc., consisting of 5 Board members, all enrolled tribal members & all appointed by the Business Committee.
- Worked directly with representing attorney Michael McBride to provide necessary government documents, research and audio recordings needed in defense of the lawsuit against the Nation by NGS (New Gaming Systems).
- Elected 1998 Sac and Fox Nation Employee of the Year by the employees and has been nominated repeatedly since. This truly is testament of her outstanding ability to work well with everyone, her professionalism & her willingness to help anywhere she can.
- Firsthand knowledge of what the Business Committee has done over the past 12 years, what they shouldn’t have done, what still needs to be done & above all else, she knows how to get things done!

Petey’ Williams (Be-Ma-Na-Kwi) of the Thunder Clan is 35 years of age, (almost ½ of her life working for the Nation) resides in Stroud, OK with her Husband Terry and three children, Moses, Maxx and Juanita, all of the Fox Clan. She is a member of the Only Way Baptist Church where she teaches the 0-3 age class. You will also find her participating in our traditional ways and ceremonies, often times with her apron and dew rag on helping to prepare the meal. Her love of God the Creator, Family, our Nation and herself is the foundation on which she is built that will provide her with the strength, courage and wisdom to be an exceptional leader of the Nation, for the people and for our future.

- Most importantly she has spent 12 years listening to us, Sac and Fox tribal members, voicing our concerns, frustrations & resentments for how we feel we have been treated and unheard by our elected officials.
- She is forthright and honest, providing the answers we seek on a daily basis no matter how delicate the subject matter may be. She is not afraid to speak the truth even if it’s something she knows we won’t want to hear. She has always provided us with as much as she knows without violating the employee privileged information policies.
- We need elected officials that will be in the office taking care of business giving us their dedication and time; not abusing us with excessive absenteeism for personal reasons that are more important than the Nations business at hand.
- Jacklyn (‘Petey’) maintains an excellent attendance record (as can be proven by all of the unused accrued time she has) and her priorities do not put personal travel above the needs and business of our Nation.
- She believes the Business Committee travel should focus on lobbying efforts to better our Nation as a whole and for each enrolled member. These are the people we elect to protect our interests and ensure that the United States uphold our Treaties and meet our needs.
- She believes that the Nation pays enough money already to Directors, Commissioners, Board Members and hundreds of employees to oversee the daily operations and that they do not need to have their hand held and be guided by the Business Committee. Our elected officials are here for us; not to run, manage or oversee the daily operations.
- She is accountable for everything she does and feels it is the responsibility of the Business Committee to ensure and enforce accountability of everyone, on every level, including their self and each other, to the Nation.
- Her focus is on: the improved management and preservation of our records; auditing of our enrollment records to satisfactorily confirm that everyone enrolled meets our Constitutional requirements; enriching the lives of our youth and encouraging education through outreach, expanded programs and positive experiences; furthering, diversifying and growing our Economic Development ventures to our full potential; will strive to protect our Sovereignty; getting the voice of the Sac and Fox Nation heard at the United States Capitol, in Congress, at the Department of the Interior, in the State Senate, the Governor’s office and anywhere there is a resource; and last but not least she focuses on the great Nation we have been and the even greater legacy we can be for our children and their future.

## TAX LIABILITY

Under the Indian Gaming Regulatory Act (IGRA), net revenues from Class II or Class III gaming activities conducted or licensed by an Indian tribe may be used to make per capita payments to members of the tribe only if four conditions are met. Condition 4 states: The per capita payments are subject to federal taxation and the tribe must notify members of such tax liability when payments are made. The Social Security number of all payees should be secured prior to making payments. Otherwise, the tribe is potentially liable for backup withholding provisions pursuant to IRC section 3406. (Source: Internal Revenue Service’s (IRS) Gaming Tax Law and Bank Secrecy Act Issues for Indian Tribal Governments)

Per Capita payments are subject to federal taxation and require the Sac and Fox Nation to prepare IRS Form 1099-MISC, *Statement for Recipients of Miscellaneous Income* when payment is made to the tribal member. (Source: National Indian Gaming Commission’s Frequently Asked Questions)

Other Income, i.e. Per Capita Payment, may make a difference on your tax reporting; it could affect any State and/or Federal Benefits you may receive or programs in which you participate. The Sac and Fox Nation encourages you to check with your tax accountant and/or benefit specialist.
